Freddie Mac Announces Reference Pool Disclosure File Format – In Support of Risk-Sharing Objective

June 13, 2013

In support of potential single-family credit risk-sharing transactions highlighted in the 2013 Federal Housing Finance Agency Conservatorship Scorecard [<http://www.fhfa.gov/webfiles/25025/Scorecard2013.pdf>], beginning within the next few months, Freddie Mac will provide loan- and pool-level Reference Pool data on a monthly basis. The new Reference Pool disclosure file format may be found at the following link: [Reference Pool Disclosure Guide](#).

If you have any questions, please send an e-mail to Credit_Securities@freddiemac.com.
