

# Exchange Booking Guide

## Dealer-Facilitated Path

### Steps

1

#### Prepare to Exchange

- ▶ Determine which CUSIP(s) investor would like to exchange, pool number, and par amount
- ▶ Format collateral information for input using the Float Comp Calculator

2

#### Select Settlement Date

- ▶ Dealer Direct booking is available 24/7
- ▶ Availability is based on FRE settlement capacity which reflects blackout dates
- ▶ Can select settlement dates for the current or following month

3

#### Confirm Float Compensation

- ▶ Confirm float compensation details and submit exchange

4

#### Review Exchange Confirmation

- ▶ Dealers receive booking confirmation including Exchange ID and float compensation via email
- ▶ Dealers share confirmation with investor clients, custodians and other vendors as applicable

## Dealer-Facilitated Path

- Steps**
- 1 Preparation**
    - ▶ Review processes on next page internally and with your custodian
  - 2 Deliver 45-Day Security**
    - ▶ Deliver Free of Payment by 12 p.m. on settlement day
  - 3 Take Delivery of 55-Day**
    - ▶ Expect 55-day security no later than 1:00 p.m.
  - 4 Take Delivery of Float Comp**
    - ▶ Expect float compensation via separate wire no later than 6:00 p.m.

- In Case Of**
-  **Late delivery**
    - ▶ Any 45-day security delivered after 12 p.m. will settle on a best-efforts basis (no settlements after 1 p.m.)
    - ▶ If a late exchange is DK'd, it will be auto-rebooked for the next available exchange day (minimum T+2)
  -  **Delivery mismatch**
    - ▶ Delivery must exactly match booking (CUSIP, par, 3<sup>rd</sup> party)
    - ▶ If a mismatch is not resolved by 1:00 p.m., 45-day security will be DK'd and the exchange will be auto-rebooked
  -  **OFAC exceptions**
    - ▶ For any OFAC-related exceptions, Freddie Mac may call for more info from 1:15 to 5:00 p.m.
  -  **Float comp issue**
    - ▶ Note that float comp is fixed at the time of booking
    - ▶ View past grids: [freddiemac.com/mbs/exchange/grids.html](http://freddiemac.com/mbs/exchange/grids.html)
  -  **Fails**
    - ▶ For fails, expect 45-day to be DK'd back in early afternoon
    - ▶ Trust receipts will be issued in exceptional circumstances

## Dealer-Facilitated Path

### Delivery Process

- A Dealer**
  - ▶ Instruct custodian to deliver 45-day security FREE to Freddie Mac

---

- B Custodian**
  - ▶ Custodian delivers 45-day security FREE via Fedwire to:
    - FHLMC WASH/2BD7
    - ABA# 021033205
  - ▶ Freddie Mac will match on CUSIP, par, and 3<sup>rd</sup> party (you are not required to provide Exchange ID)

---

- C Freddie Mac**
  - ▶ Freddie Mac delivers 55-day security FREE via Fedwire from:
    - FHLMC WASH/2BD5
    - ABA# 021033205
  - ▶ Cash wire includes UMBS + Exchange ID in Fed tags 3320 and 4320

To comply with Fedwire limits of **\$1,000 (minimum)** and **\$50 million (maximum)**, observe the following rules for exchange delivery if par/original face > \$50 million:

### Delivery Split Rules

- ▶ Exceeds Fedwire \$50M limit for par by more than \$1K
- ▶ Single booking
- ▶ Must deliver as \$50M wire + tail
- ▶ 1 exchange ID
- ▶ 2 security wires
- ▶ Dealer receives two 55-day security wires
- ▶ 1 float compensation wire

- ▶ Exceeds Fedwire \$50M limit for par by less than \$1K
- ▶ Single booking
- ▶ Min. tail size is \$1K
- ▶ For delivery, reduce size of larger wire until tail equals \$1K
- ▶ Dealer receives two 55-day security wires
- ▶ 1 float compensation wire

**If splits do not match the above process, Freddie Mac will DK the delivery.**
